AHMEDABAD 🏠

SUMMARY

As a third-year college student specializing in MERN stack development, I have crafted various projects leveraging this technology stack. My hands-on experience with MongoDB, Express.js, React, and Node.js has equipped me with the skills necessary to develop dynamic and responsive web applications. Despite being in the early stages of my academic journey, I am enthusiastic about further honing my expertise and contributing to innovative software projects.

EDUCATION

KARNAVATI UNIVERSITY

Bachelor's Degree in Computer Science & Engineering
2022 – 2026

SKILLS

- REACT JS
- NODE JS
- MONGODB
- PYTHON
- MYSQL
- HTML
- CSS
- Reponsive Design
- TAILWIND CSS

CERTIFICATIONS

- React & Redux Course - KGCoding By Prashant Sir
- Programming With JavaScript - Meta
- Full Stack Development - MyCaptain
- The Joy of Computing using Python - NPTEL

PROFESSIONAL EXPERIENCE

FRONT-END DEVELOPER

Divine Connection| Feb 2024- APRIL 2024

- Developed interactive and visually appealing user interfaces using React and Framer Motion
- Implemented animations and transitions to enhance user experience and engagement
- Collaborated with team members to integrate front-end components seamlessly with back-end functionalities
- Adapted to new technologies and frameworks, such as React and Framer Motion, to meet project requirements and improve development efficiency

PROJECTS

WASTE MANAGEMENT WEB APPLICATION

- Our app tackles e-waste, food waste and Clothes donation simultaneously, connecting users with local e-waste recyclers and facilitating surplus food donations and clothes to those in need.
- With just a few taps, users can contribute to a greener future by easily disposing of e-waste and donating surplus food, all through our intuitive and accessible platform.
- TECH STACK - MERN Stack , IBM WATSON
- LINK(FRONTEND only) - https://eco-eats-delta.vercel.app

NOTESPEDIA

- Our platform offers clear, structured notes covering a wide range of subjects, ensuring that students have access to essential learning materials tailored to their academic needs.
- Simplify your coursework with our platform's comprehensive solutions for assignments and labs. Whether you're tackling complex problems or experimenting in the lab, we provide step-by-step guidance to help you excel in your studies.
- TECH STACK - HTML, CSS , JAVASCRIPT
